

TURN OFF THE MAGNETS

Whereas, for decades Texas has sustained an invasion of millions of illegal aliens crossing our borders in pursuit of the dual “magnets” of American jobs and government assistance; and

Whereas, employment of illegal aliens could be curtailed by requiring employers to use the E-Verify system to confirm the legal status of their employees; and

Whereas, securing Texas’ international border with Mexico is futile if we leave on the magnets by continuing to give welfare benefits and other taxpayer-funded subsidies to illegal aliens and if we refuse to enforce laws against hiring illegal aliens; and

Whereas, Taxpayers should not be forced to subsidize illegal immigration through government benefits, including in-state tuition for illegal aliens; now therefore

Be it resolved The Republican Party of Texas adopts as a legislative priority and urges the Texas Legislature to enact legislation eliminating the magnets that attract illegal immigration to the State of Texas; by eliminating welfare benefits and in-state tuition for illegal aliens and by requiring employers to use E-Verify to ensure the legal status of their employees.
