FILED

MAY 10 2018

Clerk, U.S. District Court
Texas Eastern

Violation: 18 U.S.C. § 1349
(Conspiracy to Commit Honest Services
Wire Fraud in violation of 18 U.S.C. §§
1343, 1346)

A. Introduction

At all times material to this Indictment:

1. The City of Richardson, Texas (“City of Richardson” or “the City”), was a local government and political subdivision of the State of Texas and was governed by a mayor and a city council.

2. **Laura Jordan**, defendant, who at all relevant times was known as **Laura Maczka** and will thus be referred to as “**Maczka**” in this Indictment, was the mayor of the City of Richardson from May 2013 through April 2015. As mayor, **Maczka** was an agent of the City of Richardson and a voting member of the Richardson City Council.

Additionally, **Maczka** owed a fiduciary duty to the citizens of the City to perform the duties and responsibilities of her office free from corrupt influence.

3. **Maczka's** duties as mayor included voting, along with the other members of the Richardson City Council, on proposals for zoning changes within the limits of the City. She also voted on requests to authorize the City Manager of the City of Richardson to negotiate contracts with land developers to reimburse land developers, with government funds, for expenses incurred on developments within the City.

4. **Maczka** earned \$50 per meeting as mayor of the City of Richardson. In 2013 and 2014, **Maczka** earned approximately \$2,600 each year working for the City of Richardson.

5. **Mark Jordan** ("**Jordan**"), defendant, was a commercial real-estate developer. One of his companies, JP Realty Partners LLC ("**JP Partners**"), acquired and developed commercial real estate. In 2011, JP Partners, along with a separate entity, KBS Strategic Opportunity REIT Richardson Portfolio JV, LLC, formed JP-KBS Richardson Holdings, LLC. JP-KBS Richardson Holdings, LLC, with **Jordan** acting as managing partner, purchased approximately 40 acres of developable land, along with two office properties (collectively called the "**Palisades Property**"), located in the City of Richardson, the majority of which was located in the Eastern District of Texas. The Palisades Property was adjacent to the Canyon Creek and Prairie Creek neighborhoods in Richardson, Texas. **Jordan** also owned and controlled Sooner National Property Management, LP.

6. The Development and Economic Development Agreement request (“DEDA Request”) was a request **Jordan** caused to be submitted to the City of Richardson that requested up to \$47,000,000 in reimbursements for construction and infrastructure expenses related to the Palisades Property, which included a 25-year, 50% tax rebate for infrastructure costs.

7. **Maczka** controlled a Wells Fargo bank account ending in 1020 (“Wells Fargo account 1”). **Maczka** also controlled a Wells Fargo bank account ending in 4928 (“Wells Fargo account 2”).

8. “The Contractor” was an individual known to the Grand Jury. The Contractor owned and operated “the Company,” which was located in McKinney, Texas, in the Eastern District of Texas. The Company was also known to the Grand Jury.

9. “The Employee” was an individual known to the Grand Jury. The Employee worked for Sooner National Property Management, LP as a leasing agent from in or around 2012 through in or around February 2015.

10. JJ, MM, GS, GK, LG, and JS were individuals known to the Grand Jury. JJ worked for Sooner National Property Management, LP as a Human Resources manager. MM was **Maczka’s** husband from on or about April 22, 1989, through on or about January 8, 2015. The City of Richardson hired GS, an attorney, to conduct an ethics investigation into **Maczka’s** and **Jordan’s** relationship in Spring 2015. JS was an attorney **Maczka** retained to respond to the City’s ethics investigation in Spring 2015. LG was **Jordan’s** architect who spoke on **Jordan’s** behalf at City meetings concerning

the Palisades Property. And GK was **Jordan's** accountant who filed **Jordan's** tax returns.

B. The Conspiracy

11. From in or around May 2013, through on or about July 31, 2015, in the Eastern District of Texas and elsewhere, **Maczka** and **Jordan** conspired, combined, and agreed to devise a scheme and artifice to deprive the citizens of the City of Richardson, through fraud, of the honest services of **Maczka**, the mayor of the City of Richardson, and, for the purpose of executing the scheme and artifice, caused a wire communication to be transmitted in interstate commerce, a violation of 18 U.S.C. §§ 1343 and 1346.

C. The Purpose of the Conspiracy

12. The purpose of the conspiracy was for the defendants to use **Maczka's** official position as the mayor of the City of Richardson to benefit and enrich themselves through bribery.

D. Manner and Means of the Conspiracy

It was part of the manner and means of the conspiracy and the scheme that:

13. At the time **Jordan** and his partners purchased the Palisades Property, the Palisades Property was zoned for local retail and office use and for 300 condominiums; it was not zoned for apartments. Over time, **Jordan** envisioned transforming the Palisades Property into a mixed-use development that included, among other things, single-family units ("houses") and apartments (collectively referred to as the "Palisades Project"). According to **Jordan's** representative, LG, the Palisades Project would not work without

the apartments “because of what apartments contribute” to the development. In Fall 2012 and Spring 2013, **Jordan** began holding collaborative planning sessions involving local Richardson stakeholders (e.g., homeowners’ associations, City officials, and others), at which **Jordan** and LG presented **Jordan’s** plans for the Palisades Project.

14. Before being elected mayor of the City of Richardson, **Maczka** served on the Richardson City Council. On November 27, 2012, **Maczka** announced that she intended to run for mayor of the City in 2013. During the mayoral campaign in Spring 2013, **Maczka** publicly stated that there should be no more apartments built in Richardson near Richardson neighborhoods. **Maczka**, her then-husband MM, and her children in fact lived in the Canyon Creek neighborhood immediately next to the Palisades Property. In one of her campaign advertisements, **Maczka** stated that “[w]hen it comes to apartments, you know that Laura has always said we do not need more apartments near our neighborhoods. Period.” **Maczka** was elected mayor of the City of Richardson by a majority vote on May 11, 2013, and began her term on May 20, 2013.

15. In mid-to-late November 2013, shortly before the first vote of the Richardson City Council on **Jordan’s** proposed zoning changes for the Palisades Property, **Jordan** and **Maczka** secretly communicated and coordinated with each other concerning the Palisades Project through, among other means, email communications. These email exchanges caused wire communications to be made in interstate commerce.

16. On December 9, 2013, the Richardson City Council held a public hearing before voting on **Jordan’s** requested zoning changes for the Palisades Property. Many

citizens of Richardson appeared for the hearing; the overwhelming number of citizens who spoke at the hearing were adamantly opposed to the proposed increase in apartment units allowed by the proposed zoning change. Despite this, and despite **Maczka's** public campaign pledge to oppose the construction of any new apartments near Richardson neighborhoods, **Maczka** spoke and voted in favor of **Jordan's** zoning changes. At two more Richardson City Council meetings on January 27 and June 9, 2014, **Maczka** again spoke and voted in favor of additional zoning changes requested by **Jordan** that allowed for the construction of a total of 1,090 new apartment units on the Palisades Property. And on September 22, 2014, **Maczka** voted to authorize the City Manager of the City of Richardson to negotiate with **Jordan** and his business partners on a deal that would obligate the City of Richardson to reimburse **Jordan** and his partners for various construction and infrastructure expenses associated with the Palisades Project up to \$47,000,000.

17. In exchange for **Maczka's** favorable support and votes regarding the Palisades Property, **Jordan** offered and gave to **Maczka**, and **Maczka** accepted: monetary payments, which caused interstate wire communications, payments for renovations of **Maczka's** residence, luxury hotel stays, flight upgrades, meals, lucrative employment with one of **Jordan's** companies that involved the Palisades Property, intimate sexual contact, and other personal benefits and things of value.

18. **Maczka** concealed things of value she accepted from **Jordan** by knowingly and willfully omitting them from a Local Government Officer Conflicts Disclosure

Statement (“Conflicts Form”) she was statutorily required to complete under Chapter 176 of the Local Government Code. **Maczka** failed repeatedly to file the mandatory Conflicts Form in connection with the things of value **Maczka** accepted from **Jordan**. **Maczka** also made false and misleading statements to others, including Richardson City Council members and the Internal Revenue Service (“IRS”), an agency of the United States Treasury Department, about the things of value she accepted from **Jordan**, all designed to conceal the true nature of their corrupt relationship.

19. **Jordan** concealed things of value he offered and gave to **Maczka** by knowingly and willfully causing them to be omitted from **Jordan’s** sworn response to interrogatories in a Denton County District Court Filing. **Jordan** also caused the Contractor to generate a fraudulent invoice concealing **Jordan’s** payments for **Maczka’s** home renovations. Additionally, **Jordan** made false and misleading statements to others, including the IRS, about the things of value he offered and gave to **Maczka**, all designed to conceal the true nature of their corrupt relationship.

E. Representative Acts of the Conspiracy and the Scheme and Artifice

20. On or about the following dates in furtherance of the conspiracy, in the Eastern District of Texas and elsewhere, the defendants caused the following acts to be committed:

a. During her campaign for election to the office of the mayor of the City of Richardson, **Maczka’s** public position was that she was opposed to zoning that permitted construction of apartments next to neighborhoods. Specifically, **Maczka**

authorized and caused to be distributed the following statements in campaign advertisements:

When it comes to apartments, you know that Laura has always said we do not need more apartments near our neighborhoods. Period. (emphasis in original).

For the record, Laura has never supported building apartments in or adjacent to our neighborhoods. . . . Laura is one of our most pro-neighborhood councilmembers. . . . She stands with – and for – our neighborhoods.

b. On or about November 5, 2013, **Jordan** caused a presentation to be made to the City of Richardson Plan Commission that requested zoning changes for the Palisades Property. **Jordan's** zoning request included a decrease in the existing permissible number of condominiums from 300 to 250, and an increase in the permissible number of apartments adjacent to the Canyon Creek and Prairie Creek neighborhoods from 0 to 750.

c. On or about November 11, 2013, **Maczka** forwarded a constituent's email to **Jordan** that contained questions concerning the Palisades Property. On or about November 14, 2013, **Jordan** responded to **Maczka** at approximately 4:31 am with the following message:

See my answer below in RED. Happens to be my favorite color...Don't forward this to anyone. Just put it in your words....

On or about November 14, 2013, **Maczka** replied to **Jordan's** email with the following message, in part:

Ok....Truly LOL on that one! You're fairly clever at 4:31 am. I'll read these responses and will obviously put in my own words. Since we've

already discussed the fact that I have some interesting vocabulary words and it's fairly obvious when other people are writing for me....

e. On or about November 21, 2013, **Maczka** sent an email to **Jordan** in connection to **Jordan's** proposed zoning changes in which she stated, "FTR [for the record], good thing I had such a fun afternoon yesterday. Because last night the prairie creek mob hit me hard! You were probably enjoying barbecue and chillaxing. I was taking bullets for you! ☺". The "prairie creek mob" referred to residents of the Prairie Creek neighborhood in the City of Richardson that were vocally opposed to the zoning changes requested by **Jordan**.

f. On or about December 9, 2013, **Maczka**, contrary to her campaign position and over the objection of 126 individuals present at the Richardson City Council meeting who expressed their opposition, voted in favor of the zoning change that allowed for the construction of 600 apartments on the Palisades Property adjacent to the Canyon Creek and Prairie Creek neighborhoods. Only nine individuals present at the meeting were in favor of the proposed zoning change and expressed their support.
