Re: Your October 4, 2019 Texas Public Information Act (Open Records) Request
[TRWD PI Request #19.116]

Mr. Montoya,

This letter is sent in response to your duplicate public information request (the "Request") submitted to Tarrant Regional Water District (the "District") and the Trinity River Vision Authority. Your Request was received on October 4, 2019. Your Request seeks:

- Records corresponding to employment contract of Executive Director J.D. Granger.
- Records corresponding to compensation documents of Executive Director J.D. Granger for the past two years.

There are no records responsive to your request for an employment contract for J.D. Granger.

Please be advised that the second portion of the Request is unclear as to what documents you are seeking. Pursuant to §552.222(b) of the Public Information Act [TEX. GOV'T CODE §552.222(b)], we therefore write to determine whether you might be able to clarify the scope of your request. For example, are you seeking a payment history for the last two years for Mr. Granger.

At such time as you are able to provide us with your written reply to this letter for purposes of narrowing and clarifying the Request, TRWD and TRVA will again attempt to respond to your request at that time. In any event, please be advised that should you not reply to this request for clarification within sixty-one (61) days, or by December 16, 2019, then, pursuant to §552.222(d) and (e) [Tex. Gov't Code
