Commissioner Brooks,

I am writing to implore you to vote against any extension of the "Emergency" orders related to Covid-19. The Commissioners' Court has misused these powers by continuing to extend them time after time. As a member of the executive branch, you all do not have the Constitutional authority to make laws (regardless of whether you call them ordinances, edicts, proclamations, etc.).

Please stop misusing the role you have been elected to and let the citizens of Tarrant County live as a free people. Uphold the Texas Constitution rather than continue to impose your unconstitutional restrictions on the people you were elected to serve.

Sincerely
Karl Saathoff

As a constituent of Precinct 1, I would like for you to represent me at the Commissioners Court meeting tomorrow, Nov 24th, by voting NO to extending the Tarrant County emergency declaration again and by voting NO to extending the unconstitutional mask mandate again.

Thank you,
Beth Saathoff
