Trey,

I am reaching out to you on behalf of Beverley Whittet, Manager - Office of Special Events regarding your food giveaway currently being conducted at La Bajada (Trinity Groves). We understand the need in the community, we've seen the photos and your schedule for the rest of this week, therefore we would like to speak with you directly in order to get a full understanding of what your group is doing, specifically days & times as well as the duration of your food giveaway, in order to determine if a permit is needed for this particular location.

This has become a concern due to the traffic flow in and out of the neighborhood. Please note that this area "West Dallas" is classified as a "High Impact" area through our office, therefore requiring normal specials events conducted in the area to adhere to additional guidelines that are outlined at the following link: <https://dallascityhall.com/departments/office-special-events/Documents/High%20Impact%20Areas%20%20DRAFT%20%20revised%207.10.20.pdf> under **West Dallas (Ronald Kirk Pedestrian Bridge, La Bajada.**

I placed a call to your office @ (214) 220-0031 on yesterday, which went directly to a recorded message and I have left you two voicemail messages on your private phone. We would like you or someone from your organization, who is familiar with the giveaway scheduling to give us a call immediately. Our office number (214) 939-2701. We look forward to speaking with you or a representative soon.

Thank you,

Sherry L. Sanders
