ROBERT MONTOYA (F002037-090721): REQUEST FOR CLARIFICATION/NARROWING; REDACTION RESPONSES REQUESTED

There are now 2 statements regarding mandatory exceptions and discretionary exceptions you need to select for your open records request. These questions are derived from a form developed by the Office of the Attorney General, dated 10/01/19. Please select "yes" or "no" in regards to these 2 exception questions for your open records request. Selecting "yes" will allow the university to expedite your request by avoiding the necessity of seeking a decision from the Office of the Attorney General.

Statement #1:

Do you agree to the redaction of information that is subject to mandatory exceptions, provided such redactions are clearly labeled on information you receive? (Yes or No)

Statement #2:

Do you agree to the redaction of information that is subject to discretionary exceptions, provided such redactions are clearly labeled on information you receive? (Yes or No)

Note: This is a request for clarification/narrowing of your request. Section 552.222 provides that a request for information is considered withdrawn if the requestor does not respond in writing to a governmental body's written request for clarification or additional information within 61 days.

Thank you,

Wendy Ramirez

Wendy Ramirez,

Hope you are doing well. My answer is "No" to the above statements.

Please provide a detailed list summarizing any redactions and exceptions, and the reasons for them.

Thanks,
