Huffines Applauds Not Guilty Verdict of Kyle Rittenhouse

DALLAS, TX, November 19, 2021—Following reports the jury had found Kyle Rittenhouse not guilty on all counts, conservative Republican candidate for governor Don Huffines issued the following statement:

“The not-guilty verdict in the Kyle Rittenhouse case is a victory for not only Kyle but every patriot throughout our nation. Mr. Rittenhouse acted bravely to defend himself and his community, but it was clear from the start that the radical left was gunning for revenge, not justice. Their message was clear: if you resist, you will be crushed. However, the truth was undeniable. Kyle’s courage and resilience inspire us all, and I know that millions of Americans share the same patriotic spirit.”

Huffines further added:

“As a lifelong conservative, I know our rights come from God and not the government. I know how important it is that wherever patriots are, they defend those rights against oppressors. I will always fight to defend the freedoms and liberties of citizens and ensure due process for all.”

Don Huffines is a proud fifth-generation Texan, husband, father, grandfather, and self-made entrepreneur. A committed conservative, Huffines is fighting to safeguard Texans’ elections, phase out property taxes, and secure the border once and for all. Huffines is challenging Gov. Greg Abbott from the right in the Texas Republican primary. Texans deserve leadership. No excuses.
