Hi Jen,

Apologies for the delayed response. The rate would be \$300.00 per registration. Currently, the group rate is \$400.00 per registration and a requirement of at least 10 registrations but I have the approval to offer the discounted rate even at the lower volume of registrations.

If you would like to proceed, I would just need the below information in order to have an invoice sent your way.

I hope this helps!

Thanks!

Hi Jen,

No problem at all! While some years we have clients sponsor scholarships for attendees, that has not been the case to date for the 2022 event.

That being said, while the threshold to receive the group rate is 10, I am going to request approval to grant you the group rate for 5 registrations. I will be out next Monday and Tuesday but hope to have an answer waiting for me upon my return.

If you by chance don't hear back from me by next Thursday (10/21) morning, please feel free to reach out to me and I will continue to advocate for you and your colleagues.

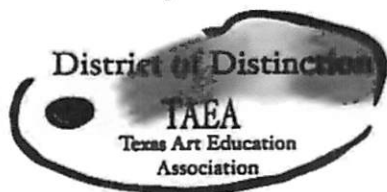

Thanks!

Hi Justin,

We are likely only needing 5 registrations... Does our Title One status make the 350.00 rate still possible?

I was also wondering if SWSWedu does anything (grants, etc) for schools in our position? Apologies if I have reached out to the wrong person!

Thanks for your advice - Jen
