

Nursing Home Plans Are Set

HENDERSON (Spl.) — Two Athens doctors announced plans for a \$70,000 nursing home here Wednesday. Construction by Hawley Wyrick of Athens is scheduled to begin in January.

Dr. Durtis Boyd and Dr. Earl Estep said the home will be of colonial architecture. The 54-room structure will have more facilities than required by the National Health Council, they said.

The home will be in west Henderson on a lot purchased from Mr. and Mrs. Delbert Gray.
