RE: International School of the Americas - San Antonio, Texas

Hello, All!

It seems that the email system has caught previous correspondence in our quarantine folder. I apologize for this!

The International School of the Americas is still eager to partner with a school in China. Our hope and need for an agreement is that we partner with a school that is willing and able to participate in a two-way, home stay exchange. In past exchanges we have found that students have a very rich experience if they are able to participate in a home stay.

We hope this might be possible and look forward to finding a partner!

Sincerely,

Steve Magadance

Dear Principal Magadance,

Hope this message finds you well.

I'm writing to follow up our last communication and to see if you have received my email below, dated Dec. 10, 2021, or the email that Ms. Xu of IEAS sent you on Mar. 16, 2020? We don't know if we have been blocked by the server since none of us has received responses.

Also, given that the next steps will involve a cooperation agreement between your school and the Chinese side, we would like to update you that we have finalized an agreement template for our cooperation on the Confucius Classroom, so after the IEAS finds you a partner school according to your need, the relevant parties can soon move on to the signing of the agreement and get the cooperation going.

Look forward to hearing back from you. If you have any questions or concerns, please feel free to let us know.

Dear Principal Steve Magadance,

Thank you for your email.

Since currently, you do not have a formal Chinese partner for your Confucius Classroom, then the first step for establishing an independent Confucius Classroom shall be finding you a Chinese partner school to jointly develop the classroom. We have entrusted International Education Association Shanghai (<https://www.ieas.net.cn/>) with finding a Chinese partner for CCs that do not have one, and they will find you a partner school in Shanghai according to your need. If you agree with this arrangement, we will establish the contact for you and facilitate the process.

RE: International School of the Americas - San Antonio, Texas

Hello, All!

It seems that the email system has caught previous correspondence in our quarantine folder. I apologize for this!

The International School of the Americas is still eager to partner with a school in China. Our hope and need for an agreement is that we partner with a school that is willing and able to participate in a two-way, home stay exchange. In past exchanges we have found that students have a very rich

experience if they are able to participate in a home stay.

We hope this might be possible and look forward to finding a partner!

Sincerely,

Steve Magadance

Dear Principal Magadance,

Hope this message finds you well.

I'm writing to follow up our last communication and to see if you have received my email below, dated Dec. 10, 2021, or the email that Ms. Xu of IEAS sent you on Mar. 16, 2020? We don't know if we have been blocked by the server since none of us has received responses.

Also, given that the next steps will involve a cooperation agreement between your school and the Chinese side, we would like to update you that we have finalized an agreement template for our cooperation on the Confucius Classroom, so after the IEAS finds you a partner school according to your need, the relevant parties can soon move on to the signing of the agreement and get the cooperation going.

Look forward to hearing back from you. If you have any questions or concerns, please feel free to let us know.

Since currently, you do not have a formal Chinese partner for your Confucius Classroom, then the first step for establishing an independent Confucius Classroom shall be finding you a Chinese

partner school to jointly develop the classroom. We have entrusted International Education Association Shanghai (<https://www.ieas.net.cn/>) with finding a Chinese partner for CCs that do not have one, and they will find you a partner school in Shanghai according to your need. If you agree with this arrangement, we will establish the contact for you and facilitate the process.

Look forward to hearing from you! If you have any questions, please feel free to ask me.

Best regards,

Yiyan

Dear Principal Magadance,

Hope this message finds you well.

I'm writing to follow up our last communication and to see if you have received my email below, dated Dec. 10, 2021, or the email that Ms. Xu of IEAS sent you on Mar. 16, 2020? We don't know if we have been blocked by the server since none of us has received responses.

Also, given that the next steps will involve a cooperation agreement between your school and the Chinese side, we would like to update you that we have finalized an agreement template for our cooperation on the Confucius Classroom, so after the IEAS finds you a partner school according to your need, the relevant parties can soon move on to the signing of the agreement and get the cooperation going.

Look forward to hearing back from you. If you have any questions or concerns, please feel free to let us know.

Hello, All!

It seems that the email system has caught previous correspondence in our quarantine folder. I apologize for this!

The International School of the Americas is still eager to partner with a school in China. Our hope and need for an agreement is that we partner with a school that is willing and able to participate in a two-way, home stay exchange. In past exchanges we have found that students have a very rich experience if they are able to participate in a home stay.

We hope this might be possible and look forward to finding a partner!

Sincerely,

Steve Magadance

Dear Principal Steve Magadance,

Thank you for your email.

Since currently, you do not have a formal Chinese partner for your Confucius Classroom, then the first step for establishing an independent Confucius Classroom shall be finding you a Chinese partner school to jointly develop the classroom. We have entrusted International Education Association Shanghai (<https://www.ieas.net.cn/>) with finding a Chinese partner for CCs that do not have one, and they will find you a partner school in Shanghai according to your need. If you agree with this arrangement, we will establish the contact for you and facilitate the process.

Look forward to hearing from you! If you have any questions, please feel free to ask me.

Best regards,

Yiyan

Dear Asia Society Partner School,

As you are aware, the Asia Society is no longer affiliated with the global Confucius Institute/Confucius Classroom umbrella.

As such, the Asia Society will no longer disperse annual grant funding. If your school/school district would like to remain a Confucius Classroom and receive grant funding, please contact **Ms. MA Yiyan** from CIEF at mayiyan@cief.org.cn and let her know which one of the following ways you would like to apply:

1- Apply to be an independent Confucius Classroom, which will let you operate independently with your Chinese partner school. *If you do not have a Chinese partner, you can contact CIEF and they will match you with one.*

2- Join a CI in your state (or nearby) to become a CI-affiliated Confucius Classroom.

3- Collaborate with other Confucius Classrooms in the region to form a Confucius Classrooms Coordination Office. One school would need to be responsible for administration.

Please see the attached letter for more details.

The Asia Society will continue our dedication to Chinese language and culture education through the National Chinese Language Conference, Community Groups, Roundtable Leadership Discussions, and Chinosity. As we reimagine our work for the field, we welcome your thoughts and suggestions, as well as your continued engagement with the Asia Society.

If you have any questions and/or concerns, you may contact the Director of the China Learning Initiatives team, Cleopatra Wise at **cwise@asiasociety.org**

PLEASE NOTE: NCLC Request for Proposals are now open. Join us for NCLC's 15th annual conference, which will be held virtually on April 22-24 (Friday-Sunday). Apply to lead a break out session by December 7, 2022.

Good Morning,

Attached is what I've done for your flyer- front &back. I'll be out of the office for most of the day, but if you can send me the text (in a word doc would be fine- don't format it) in Spanish, I can input that into this design when I get back.

Please let me know if you'd like me to make changes to anything I have so far.

Thank you!

Good Morning,

I cannot possibly thank you enough- that's got to be the best way I've received changes, especially for text in Spanish, since I'm not fluent yet. Attached is the updated PDF. Please check that I didn't miss anything, and reply with any further changes or with approval to print.

Thank you!

Good Morning,

Attached is what I've done for your flyer- front & back. I'll be out of the office for most of the day, but if you can send me the text (in a word doc would be fine- don't format it) in Spanish, I can input that into this design when I get back.

Please let me know if you'd like me to make changes to anything I have so far.

Thank you!

At the top where the students picture is ...

The heading is not centered with the picture or the next paragraph heading. Can we center that or center the picture? Whichever looks better.

Dear Asia Society Partner School,

We hope the current school year is wrapping up smoothly and you are gearing up for a wonderful summer.

Since the 2020-2021 Asia Society Confucius Classroom Funding arrived later than usual, we will give your school more time to spend the grant.

Therefore, we will send you an email **at the beginning of the 2021-2022 school year** with detailed instructions about submitting your expense report, as well as applying for CC funding for the new school year. Please stay tuned.

We wish you and your families a safe and healthy summer season.

Hi,

I don't have anything prewritten, but I attached a template for an Internship Cover Letter that can be modified for Nilo's experience and interests. I'm also attaching an ISA flyer that has a section on Internship requirements; I usually give this to potential mentors to give them some background on ISA. Hope that helps!

Do you have a pre-written letter to give businesses when you are looking for an internship? I am thinking something with all the requirements and an explanation about the WHY of an internship?

Dear Asia Society Confucius Classroom Network members,

We hope this message finds you well. As the new school year is about to start soon, College Board and Asia Society are collecting information about the current status of Chinese language programs in U.S. K-12 school districts. This information will help field organizations such as ours to plan services and resources that support you and your students in the upcoming school year.

We kindly ask that you share updates about your school/district's program by completing **a brief, 3-minute survey by Friday, August 7th**.

Survey Link: <https://www.surveymonkey.com/r/ChineseLanguageProgram>

Your responses will help us assess the needs of Chinese language programs as we all prepare for the upcoming fall semester. **Note: the data will remain anonymous and viewed in aggregate only.**

Hi Xu Laoshi,

Yes, both the original email (5/19) and the reminder today were sent to Mr. Magadance at smagad@neisd.net. When you see fit, maybe you could help check with him internally about the progress for your school's fund application.

Dear Steve,

Hope you are staying safe and healthy.

The online form to apply for the Confucius Classroom funding is now open. Please fill out the online form at <https://www.tfaforms.com/4803922> by **Monday, June 22nd at 11:50 PM ET**.

Q1: What information do I need to fill out the online form?

The online form includes two parts: (1) Data Survey and (2) 2019-2020 Projected Expense Report & 2020-2021 Budget Proposal. Please fill out the **Data Survey on the first page** of the online form. Then upload the attached Excel document with **2019-2020 Projected Expense Report & 2020-2021 Budget Proposal** when prompted on the **second page of the online form**.

(1) **Page 1 of the Online Form is the Data Survey:** The survey consists of data about your school/district's Chinese program. Please note that all data refers to the 2019-2020 academic year. Please review the questions first to collect any data you don't immediately have on hand.

(2) **Upload the attached Excel 2019-2020 Projected Expense Report & 2020-2021 Budget Proposal on Page 2 of the Online Form:** Please note that the Projected Expense Report is on the first tab of the excel document. The Budget Proposal is on the second tab of the excel document.

Q2: Are there any tips for me to prepare the expense and budget?

For the 2019-2020 Projected Expense Report: As the school year has not concluded, please fill out the expense report according to your **projected expected expenses** for the 2019-2020 academic year. We encourage you to list any expenses and projected expenses related to online learning due to COVID-19.

Please note that we have already pre-filled your Projected Expense Report (in tab 1) with the information that you submitted in your budget proposal. If you **DO NOT** have any changes, please submit the excel document 'as is'. If you have changes, please edit the pre-filled report.

For the 2020-2021 Budget Proposal: Please fill out the budget proposal following the instructions outlined in the excel document. Your school is eligible to apply for **up to \$10,000**. Please do not exceed that amount in your budget proposal.

A sample budget proposal for your reference could be viewed through this link:
<https://asiasociety.box.com/s/yo41g3pdphfqxtg3i6l3qkm78b302kpa>.

Q3: If I have questions/issues, who can I contact?

Yang Guo (yguo@asiasociety.org) for general questions regarding the survey, funding expenses, and budgets.

Jianqing Zhang (jzhang@asiasociety.org) for issues submitting your forms and signatures.

We truly appreciate your patience and efforts throughout the entire process.

Stay well!

Jeff Wang's Farewell to the Asia Society Chinese Language Programs Network

This message has originated from an **External Source**. Please use proper judgment and caution when opening attachments, clicking links, or responding to this email.

Dear Asia Society Chinese Language Programs Partner School,

I am leaving Asia Society this month, and I want to share this news, the transition, and my sentiments with all of you.

Cleopatra Wise, whom you've all come to know over the last two of years, assumes my role as the director of China Learning Initiatives, leading a team with which you are also familiar. I am excited to see the new leadership, ideas and energy this new team will bring to advance the mission and projects of CLI. More importantly, this is a passionate and dedicated group. I wish them all the best, and will be rooting for them wherever I am.

Over the past decade, I enjoyed a front row seat to witness the growth of Chinese language learning in the US. There are many ways to appreciate this development. For me, the most compelling narrative is the doors we've opened and the lives we've made richer by making Chinese language learning more accessible to kids in America. Regardless of the different reasons that brought us together to this endeavor, we share the common cause of making a difference in the next generation.

With you and through your example, I have developed a profound appreciation for the power of learning experiences. I will be devoting my time to several education startups. One of them—Project Agora, aims to develop learning experiences that help young people discover who they are, their unique potential, and how they can contribute to the world. The goal of these new projects will be to prepare young people to be more confident stewards of their lives and the world.

The work you all carry out day in and day out is crucial to the wellbeing of each child as a whole, and to their ability to lead productive and rewarding lives. In particular foreign language learning

plays a unique role in connecting peoples and cultures. There is no better way to build shared peace and prosperity.

So, thank you for this opportunity of a lifetime to share this journey with you. As I continue to work in the space of education, to encourage deeper understanding and collaboration among young people around the world, I look forward to hearing from you and crossing paths. My new email is jeff@futureagora.org.

Happy and Healthy Year of the Mouse!

Sincerely,

Jeff Wang

Dear all,

Thank you so much for your helping for the field trip on 1/31/20 for Reagan High School Chinese students. After I spoke to Mr. Magadance at ISA this morning, he told me to let you know for this field trip that We can use the “ Confucius Classroom” grant to cover the school bus and half day sub cost.

Mrs. Gabriel will book the school bus for this trip later next week to use the grant. If Ms. Lange has any questions for the trip cost, please email or call Mrs. Gabriel for assistance.

I appreciate all your help and support!

Dear all,

Thank you so much for your helping for the field trip on 1/31/20 for Reagan High School Chinese students. After I spoke to Mr. Magadance at ISA this morning, he told me to let you know for this field trip that We can use the “ Confucius Classroom” grant to cover the school bus and half day sub cost.

Mrs. Gabriel will book the school bus for this trip later next week to use the grant. If Ms. Lange has any questions for the trip cost, please email or call Mrs. Gabriel for assistance.

I appreciate all your help and support!

Best regards,

Attachment:

This message has originated from an **External Source**. Please use proper judgment and caution when opening attachments, clicking links, or responding to this email.

Dear Asia Society Network Members:

We have an exciting opportunity to share with you.

We are inviting a small delegation of school leaders from the Asia Society Network to join us in **Changsha, Hunan Province, China** to attend Hanban's **2019 International Chinese Language Education Conference** on **December 4 - 6, 2019**.

This conference brings together over 3,000 education leaders, CI directors, and government officials from around the world. The conference showcases best practices and experiences in Chinese language education and the promotion of Chinese culture. This year's conference theme is "Innovation and Development of International Chinese Language Education in the New Era."

The conference is all expenses paid, including hotel accommodation, meals, flight tickets (economy class), visa application fees, and the conference registration fee.

Please bear in mind that this trip is **exclusively for superintendents, school principals and world language directors**. Teachers are not eligible for this particular activity. Each Confucius Classroom can nominate one representative. We will select the delegation based on several factors, including but not limited to, engagement with the Asia Society and attendance in previous years (we will favor those who have not joined us before).

If you would like to nominate a school leader from your school/district, please email Yiwei Zhu at yzhu@asiasociety.org **by Friday, Nov 1, 2019** with the responses to the following questions:

1. What is your full name?
2. What is your school/district?
3. What is your position/title?
4. What is your work email address?
5. What is your phone number?
6. What is your nationality? (for visa purposes only)
7. Do you have a valid Chinese visa?
8. Do you need additional approval from your school district to attend the conference?

We will notify you of your application status on **Tuesday, Nov 5, 2019**.

Thanks!

Best,

China Learning Initiatives Team

Otherwise, it's good to go!

Best Practice of Design and Implementation of AP Chinese Curriculum
AP Chinese Language and Culture, as a rigorous class, has been offered at many schools; however, design and implementation of AP curriculum is quite challenging. In this workshop, I will take participants on a journey of how to use UBD (Understanding By Design) to design AP themes and units and share the best and most effective practices to write and teach AP curriculum in Chinese language classrooms. Participants will

- Use backward design to analyze assessment performance in AP Chinese Language and Culture
- Integrate ACTFL language standard 5C's (Communication, Cultures, Connections, Comparisons and Communities) into the AP themes and units.
- Learn Instructional implication and strategies for AP Chinese class teaching and learning
- Best strategies for improving student performance in AP Chinese exam.
- Use of the technology, such as iPad, and internet to bring the real world to students to help them understand Chinese culture.
- Share the AP textbooks and resources with participants

Speaker: Lilian Dang

Lilian Dang was born and raised in China. She is currently a Chinese language educator and the Confucius Classroom Director at Minnetonka School District, MN. She received her M.A. at Capital Normal University, Beijing, China, and M.Ed at the University of Minnesota. She has been a Chinese teacher at Minnetonka since 2008. She taught 3 year Chinese immersion elementary program, 7 years IB and AP Chinese at high school and currently Chinese immersion language arts at middle schools. Ms. Dang has been nominated honored IB teacher and honored teacher by National Merit Scholars a few times and also presented at National Chinese Language Conference and ACTFL many times. Ms. Dang's expertise is Chinese immersion, AP, and IB DP program education.

Besides her teaching, Ms. Dang serves as a liaison for Minnetonka and China's exchange

teachers and students' program and has helped administrators understand Chinese culture and school system, and bridge the gaps between China and the Unites States. Register Now

Subject: Asia Society 2018C2019 Confucius Classroom Funding Agreement

Importance: High

Dear Steve,

Congratulations! Your funding for the 2018-2019 academic year was approved.

Your school will receive \$2,071 in grant funding for the 2018-2019 academic year.

Please submit a signed, scanned copy of the enclosed 2018-2019 Asia Society Confucius Classroom Agreement to <https://www.tfaforms.com/4706177> **by November 30, 2018 before 9:00 PM EDT.**

Failure to submit the agreement will result in a SIGNIFICANT DELAY in the delivery of your school's funding.

Please note that your total grant funding amount is lower than what your school requested. \$6,194 was deducted from your grant funding for the 2018-2019 academic year due to unspent funds listed on the 2017-2018 expense report.

Further, due to an error on our end, unspent funds listed on the 2016-2017 expense report were not deducted from your 2017-2018 grant. Therefore, your school received \$3,735 more than what we should have issued.

We apologize for this error. In order to rectify this situation, we had to deduct this amount from this year's funding.

We thank you for your understanding and apologize for this error. If you have another preferred way of addressing this error or have any questions, please reach out to me at the email and phone number below at the earliest possibility.

We thank you for your active involvement in the Network and we look forward to working with you this year.

Hi Ms. Gabriel,

The attached agreement from Asia Society requires some information from our grants department and a signature. I have a copy of last year's agreement as a reference. Can you help me get this to the grants department to fill in their part? One returned, I can submit the agreement to the Asia Society.

Thanks,

Subject: Asia Society 2018C2019 Confucius Classroom Funding Agreement

Importance: High

Dear Steve,

Congratulations! Your funding for the 2018-2019 academic year was approved.

Your school will receive \$2,071 in grant funding for the 2018-2019 academic year.

Please submit a signed, scanned copy of the enclosed 2018-2019 Asia Society Confucius Classroom Agreement to <https://www.tfaforms.com/4706177> **by November 30, 2018 before 9:00 PM EDT.**

Failure to submit the agreement will result in a SIGNIFICANT DELAY in the delivery of your school's funding.

Please note that your total grant funding amount is lower than what your school requested. \$6,194 was deducted from your grant funding for the 2018-2019 academic year due to unspent funds listed on the 2017-2018 expense report.

Further, due to an error on our end, unspent funds listed on the 2016-2017 expense report were not deducted from your 2017-2018 grant. Therefore, your school received \$3,735 more than what we should have issued.

We apologize for this error. In order to rectify this situation, we had to deduct this amount from this year's funding.

We thank you for your understanding and apologize for this error. If you have another preferred way of addressing this error or have any questions, please reach out to me at the email and phone number below at the earliest possibility.

We thank you for your active involvement in the Network and we look forward to working with you this year.

Best,

Dear Steve,

Congratulations! Your funding for the 2018-2019 academic year was approved.

Your school will receive \$2,071 in grant funding for the 2018-2019 academic year.

Please submit a signed, scanned copy of the enclosed 2018-2019 Asia Society Confucius Classroom Agreement to <https://www.tfaforms.com/4706177> **by November 30, 2018 before 9:00 PM EDT.**

Failure to submit the agreement will result in a SIGNIFICANT DELAY in the delivery of your school's funding.

Please note that your total grant funding amount is lower than what your school requested. \$6,194 was deducted from your grant funding for the 2018-2019 academic year due to unspent funds listed on the 2017-2018 expense report.

Further, due to an error on our end, unspent funds listed on the 2016-2017 expense report were not deducted from your 2017-2018 grant. Therefore, your school received \$3,735 more than what we should have issued.

We apologize for this error. In order to rectify this situation, we had to deduct this amount from this year's funding.

We thank you for your understanding and apologize for this error. If you have another preferred way of addressing this error or have any questions, please reach out to me at the email and phone number below at the earliest possibility.

We thank you for your active involvement in the Network and we look forward to working with you this year.

Best,

China Learning Initiatives team
