Dear all,

We are going to hold our last Confucius Classroom meeting on August 9 since Confucius Institute at UT Dallas will officially terminate its operation on August 31, 2019. The meeting will be held at 2:00pm-4:00pm in the room JO4.102 at UTD. This meeting is very important because it is about the future of each Confucius Classroom. Please schedule to attend on time. Also, if you think anybody else in your school should attend this meeting, please extend our invitation to him/her. Please reply to this email **before August 2**, notifying me how many representatives (including the names, titles and emails) from your school will be present. Parking permit will be sent to all representatives about three days before the meeting.

Please let me know if you have any questions.

Best regards,

Sharon(Xiaohong) Yang
