Good morning CC Leaders!

I hope you all have had a wonderful Easter weekend. As you know the Chinese Bridge Competition will take place on April 30. Students from our CCs are entering the competition. There will be two categories starting this year: the K-8 Group and the High School Group. The top winner from each group will automatically be qualified to compete in the International Chinese Bridge Competition in China later this year.

I want to invite you all to the event on April 30 to witness the achievement of your students who have excelled at Chinese language learning. If you are not able to come in person, you can watch the event on our webinar: [https://zoom.us/webinar/register/WN\\_pEPnCpvRRyC2iUW-QAMEUA](https://zoom.us/webinar/register/WN_pEPnCpvRRyC2iUW-QAMEUA).

I also want to ask if you would like to come as a VIP to give some encouraging words to the contestants or announce and award the winners if you are available. Thank you so much for your support and help!

Respectfully
