这是我们学区两个不同的学校

因为我本来是这两个学校跑但是后来我们学区有了第三个高中, 学区决定我就只在Coppell High School教, 让其他两所学校的学生跑 但是有孔子课堂的是New Tech High

因为我现在人不在New Tech High了, 他们把钱转到 Coppell High School名下的账户给我的中文课堂使用

如果不了解的话，我们可以打电话，我再跟您说

谢谢

Hello, CC Administrators and Teacher,

There is a new program from the Center for Language Education and Cooperation ("the Center", formerly the Confucius Institute Headquarters in China) I would like to inform you about. This brand-new program is to help relieve the financial cost of hiring the Chinese language teachers locally and retaining the existing Chinese teachers during this challenging period of time due to COVID-19. It is mainly for helping with part of the salary of the Chinese language teachers, not the insurance or benefit.

Just a little background information to explain why the Center is releasing this new program. In the past, the Center will send qualified Chinese language teachers from China to the organizations outside China to teach Chinese language and provide financial assistance to the schools for those teachers. But due to the special situation with COVID-19 this year, these teachers are unable to enter the United States. Thus, schools that have to hire new Chinese language teachers locally and the same time try to retain the existing teachers are facing a big financial challenge. In order to keep the Chinese language program of the Confucius Classrooms to continue to develop, the new program is introduced to support this need. According to the Center, this program is only for this special period of time.

If this is something your Confucius Classroom need, please provide the following information:

- The reason for applying for the assistance
- Detailed description of current situation with Chinese language teaching in your school and the need for Chinese language teachers. Make sure to include the impact of COVID-19 on Chinese teacher hiring and retaining.
- Information in the attached form

Please send it to me in a timely manner. I will then draft the application based on the information collected from each CC and submit it to the Center for approval.

Please reach out for any questions regarding this. Thank you for continue to support the Chinese language teaching in Texas.

Respectfully

Subject: Confucius Classroom Leadership Representative

Hello, CC administrators and teachers,

As you all know from our last Confucius Classroom Leadership Meeting back in August, the Chinese International Education Foundation (the Foundation) has taken over the responsibilities for guiding Confucius Classrooms(and Confucius Institutes) worldwide since June this year, replacing the former Confucius Institute Headquarters in China. As the Foundation is working to get everything organized, they need to have certain document updated for their record. They would like to have a name of the current leadership representative from each Confucius Classroom for documentation purpose.

I have attached an Excel spread sheet. It's very simple and straight-forward. Please fill it out and send it back to me at your earliest convenience so I can forward it to the Foundation.

Thank you very much and have a wonderful weekend!

Respectfully
