Dear Ms. Alexander:

Pursuant to section 552.306 of the Government Code, the attorney general must issue a written opinion within forty-five working days from the date the attorney general receives a request for an open records decision. The attorney general may extend the period for issuing the decision by an additional ten working days by informing the governmental body and the requestor of the reason for the delay. Gov't Code § 552.306.

In the process of researching your open records request, identified as ID # 944842, we have concluded that we require additional time to research the legal issues raised by your request for an open records decision. We will notify you of our ruling regarding your request as expeditiously as possible.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debbie K. Lee".
