Someone, maybe [REDACTED] says, "I am going to come back"

Vanessa approaches [REDACTED] and says, "Look, get your tail to that room. "Can you be serious for 5 seconds?"

Vanessa then asks [REDACTED] why she's being disrespectful. [REDACTED] responds by saying, "I'm not being disrespectful. Y'all don't even have food there and y'all expect me to stay there all day, every day?"

Vanessa says, "come here come here, that's what I mean disrespectful, I'm talking to you and you just going to walk off. Now you think if you say, Ms. Vanessa, I'm hungry can you go get me something to eat and you know it ain't no food in there."

[REDACTED] says, "can you go get me something to eat, please?"

Vanessa says, "how long you gonna stay here though? I don't want to spend my money for you to lay up with some [REDACTED], let him feed you. My Mama told me, you gonna be a hoe be a real hoe. Don't let no [REDACTED] down there. If he ain't feeding you, you got your nails done and your toes done with money in your pocket, see that's how you hoe. "That little girl over there went out and worked all night. She been havin to add all that money up. I be addin all the money up (gesturing to her [REDACTED] hone). She made like \$1500.00 dollas. You know how much money that [REDACTED] gave her, none. She went and got her nails done and she was

walking around like nothing.

XXXXXX says, "well...why are you talking about other people's child?"

Vanessa, "Because I'm want to help you so that you don't do the same thing."

XXXXXX says, "it's hot." Vanessa says, "very". XXXXXX says, "I'm sweating."

Inaudible conversation about not being able to go inside. Other employee or Vanessa says, "she don't know how bad I want to go inside, I just took a shower, but now... inaudible conversation.

Vanessa says, "so, what's the deal, where you finna go?" You don't have a therapist; they don't have you in therapy yet? You don't want none? You don't want no help?"

Someone in the video appears to say uh-uh at the end.
