### **Resignation From The Texas House of Representatives**

This is to inform the people of my legislative district, The Governor of the State of Texas, and the House of Representatives, that I hereby resign my position as a member of the legislature effective immediately.

It has been an honor to represent my friends, neighbors and the great people and communities of House District 2. They voted overwhelmingly to send me to the Capitol as their representative in two elections, and I worked daily to meet their expectations. My decision today is to ensure that their expectations will continue to be met by a new representative who will also work hard on their behalf.

I am grateful to my many colleagues in the House who fought with me to improve our state for all Texans, and to those who, even when we could not agree, extended their friendship.

I look forward to spending more time with my young family, and will continue to find ways to serve my community and all citizens across our great state.
