

Parental Rights: Whose Children Are They? (*"You shall teach [God's truth and morals] diligently to your children and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise." Deut. 6:7.*) Christians hold the ultimate authority over HOW our children are educated. But most school districts disagree in practice, keeping parents in the dark. Our educational system is teaching flagrant immorality, and has forsaken Biblical wisdom. We must choose leaders who will stand strong for those principles once again. God's plan is for the family to *stand together*, while the culture wants to divide us. The Bible NEVER gives the godless state the responsibility for our children's education.

Sexualization of the children. (*"Do not enter the path of the wicked, and do not walk in the way of the evil. Avoid it; do not go on it;" Prov. 4:14-15.* "Whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things," Phil. 4:8) Sex is undoubtedly the greatest temptation to carefully avoid as a youth. Exposure to pornography in early years can harm a child for life. If our national laws punish those who give pornography to minors on the street with felonies, how can schools make it available to school children without penalty? Yet most school libraries carry dozens of such books.

Critical Race Theory—CRT (*"There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus."* Gal. 3:28). CRT promotes racism—the favoring of "people of color" over others. A half million Americans died in the civil war to end this practice. The rioting in major cities since 2020 have been the result of those pushing this theory.

Education: (*My People are destroyed from lack of knowledge."* Hosea 4:6) America led the world in education from our founding until the mid-20th century, with a literacy rate over 90%. Today Texas ranks 46th out of 50 states in literacy. Over 33% of all students are not proficient in any fundamental educational category. MISD fell from an "A" rating to a mid-"B" rating since 2019, while 25% of Texas districts improved during that period (<https://tea.texas.gov/>)

"When the righteous rule, the people rejoice. When the wicked rule, the people mourn." (Prov. 29:2).

We provide this resource as a guide only. The Bible teaches: "All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, (2 Tim 3:16) We therefore encourage all Christians to search the Scriptures themselves in order to vote Biblically.

2023 Collin County School Board / City Council Biblical Voter Guide

Are you concerned about ...

- **The radical sexualization** of our schoolchildren? The presence of dozens of pornographic and obscene books available in most school libraries?
- **The promotion of race theories** that judge based on the color of one's skin rather than the content of character?
- **The fact that 1/3** of all students are not proficient in reading, writing, math, and science?
- **The fact that Texas ranks 48th** of all states in literacy for K-12?

...One Nation Under God...

We are privileged in America to choose our leaders. But are we choosing those who stand for righteousness?

A righteous leader stands for what is right according to God, not man. A righteous leader promotes rules in obedience to God's commands. Godly laws lead to a successful nation, but ungodly laws tear it apart.

1 John 2:3-4 says: Now by this we know that we know Him, if we keep His commandments. He who says, "I know Him," and does not keep His commandments, is a liar, and the truth is not in him.

God's laws are for our good – to protect us from harm. If we disregard God's moral laws, we will be harmed *both* physically and spiritually.

God holds nations accountable for the ungodly actions of its leaders (Amos 2:4-16). Therefore, it is wise to vote for those leaders who commit to supporting Biblical values, and to reject those who don't.

MAIN ISSUES:

- Christian values are what built America, but they are under vicious attack.
- Nearly all school districts are at war with Christians over many of these areas:
 - ◊ Obscene Books in Library
 - ◊ CRT and DEI promoted
 - ◊ SEL – sexualized curriculum
 - ◊ Financial unaccountability
- TASB (Texas Assoc. of School Boards) - a 3rd party - determines policies that each district should have control over. This takes authority away from school districts and parents.
- Outrageous salaries for Administrators
- Teachers are poorly equipped, low salaried, and fear speaking up, causing HIGH ATTRITION.
- Incumbents have not prevented the problems above from gaining ground.

* The McKinney ISD Superintendent stated in a press release, April, 2022, "The school library book debate has been largely fueled by political agendas, sensationalism, and exaggeration. McKinney ISD in no way supports obscene or pornographic materials of any kind in our public-school libraries. it is important to recognize that our teachers and library media specialists take great measures to ensure that library resources are safe and appropriate for students." Yet over 30 obscene, and pornographic books are available to MISD minor students today. According to the content rules set forth by MISD Board attorneys, every one of the 30 books are defined as Harmful Materials, and all meet or exceed legal definitions of "Obscene."(TEXAS PENAL CODE: TITLE 9. OFFENSES AGAINST PUBLIC ORDER AND DECENCY CHAPTER 43. [PUBLIC INDECENCY], SUBCHAPTER B. [Titled] OBSCENITY).
