Also, please find enclosed the updated agenda for President Smatresk. Some events have been added and modified

On 18th:

16:00-16:30 Signing Ceremony

19:00-21:00 Workshop of Future Education driven by Artificial Intelligence (Co-organized with Badui Company)

On 19th

9:30-10:00 Keynote Speech in US-China Conference

16:45-18:45 President Panel Discussion in US-China Conference

To Kinshuk,

Could you provide the time of "UNT Alumni – Family Reunion Event" in order not to conflict with two events on 19th afternoon?

Dear TingWen

You do not need to arrange. Pia will be arranging herself. The only thing we need to know is, if Mike's schedule is OK for him to join Pia to visit Minzu University on March 21.

Pia, I would be flying back to USA that day, so I would not be able to visit Minzu University.

I have copied Thomas Parsons in this email, with question, whether he is available to visit Minzu University on March 21, but I doubt, since he will be checking out on March 21, so probably he is also flying back to USA that day.

Dear Dr Pia Wood and Kinshuk,

I have checked with finance we can reimburse for 4-days hotel with the price of 600 RMB per day. Therefore, it will be 2,400 RMB.

However, we will need the receipt from the hotel

Do you think this works for you?

Dear TingWen

I talked to Dr Pia Wood, and she mentioned that she has severe allergy to smoking, and therefore she has to stay in a hotel that is completely non-smoking (while hotels say that some rooms are non-smoking, people still smoke in them, and that gives serious health problems to her).

She has asked whether she can stay at Park Plaza hotel in Wangfujing, since that hotel she has stayed before many times and has found OK for her health. Will Conference reimburse for her stay there for the four days? Rest she will pay by herself

Dear Rui Chi,

I will arriving on Friday, March 16<sup>th</sup> on United Flight 851 from Chicago to Beijing.

I have an afternoon event and evening dinner engagement on Saturday in the Wangfujing area

I will stay at a hotel in the Wangfujing area on Friday evening. As I have been to Beijing many times (and to my hotel), I will take a taxi to the hotel. This is very easy and no problem at all.

I have two questions: is Wangfujing far from the Beijing International Conference Center?

What time is the Opening Ceremony on Sunday, March 18<sup>th</sup>.

Dear Prof. Wood,

We're so excited that we will soon meet with you in Beijing. Wish you will enjoy the coming trip to Beijing. =)

Before you arrive, we would like to confirm the amount your reimbursement as below, please let me know if it's not correct.

Name	Flight	Total(USD)
Pia Wood	1,500 21	1500 21

Please keep your boarding pass with you, we will collect them upon your arrival. After you leave China, we will also ask for photos of your boarding pass of return way and customs stamps for entering and leaving China. We're sorry for asking for so many documents, unfortunately school requires them for reimbursement purpose. Thanks for your understanding.

Could you please also provide the best way to contact you while you are in China?

For the reimbursement, Ting has told me you prefer to receive the reimbursement in USD, could you please confirm this? As when we receive the reimbursement from school, it will be in Chinese Yuan, we need to get someone to exchange it in USD, hence, the amount you received will be slightly less than what you have paid for. Sorry about this, hope you could understand.

Thank you.

The address is expected for 5-8 mins.

We are trying to arrange BNU President, Dr. Qi Dong to be in the Conference

However, now we can confirm that BNU Vice President, Dr. Zuoyu Zhou, will attend the opening ceremony and another Vice President, Dr. Li Chen will attend the closing ceremony.

We are still confirming the government officers who can be in our Conference now. Therefore, I do not have final list for the important people now

Dear Dr. Chang,

Thank you for your email. Our delegation consists of Dean John Richmond (College of Music) and Associate Dean Warren Henry (College of Music) and myself. WHEREAS this Agreement supports the UNT Mission and the BNU Mission;

THEREFORE, in consideration of their mutual interests and the covenants set forth herein, the institutions agree as follows:

ARTICLE 1

PURPOSE AND SCOPE OF THE AGREEMENT

1.01 Purpose. The purpose of this Agreement includes, but is not limited to, exploring the following collaborative activities: (a) exploring future possibilities for student mobility; (b) the development of collaborative research projects; (c) the organization of joint academic and scientific activities, such as courses, conferences, seminars, symposia, or lectures; (d) the mobility of research and teaching personnel; and (e) possible access to publications and other materials of common interest. ARTICLE 2

PROPOSED ACTIVITIES PURSUANT TO THE AGREEMENT

2.01 Institutional Appointees. WHEREAS this Agreement supports the UNT Mission and the BNU Mission;

THEREFORE, in consideration of their mutual interests and the covenants set forth herein, the institutions agree as follows:

ARTICLE 1

1.01 Purpose. The purpose of this Agreement includes, but is not limited to, exploring the following collaborative activities: (a) exploring future possibilities for student mobility; (b) the development of collaborative research projects; (c) the organization of joint academic and scientific activities, such as courses, conferences, seminars, symposia, or lectures; (d) the mobility of research and teaching personnel; and (e) possible access to publications and other materials of common interest.
