10:00 A.M. CONVENE MEETING

1. **Safety Briefing**
Staff will provide general safety instruction.
2. **Opening Comments from Commissioners and Executive Director**
 - a. Commissioner Steven D. Alvis - Hurricane Beryl
 - b. Commissioner Alex Meade
 - c. Commissioner Robert C. Vaughn
 - d. Commissioner Alvin New - Safety Update
 - e. Chairman J. Bruce Bugg, Jr. - Port of San Antonio tour
 - f. Executive Director Marc Williams - TxDOT Updates
3. **Consider the approval of the Minutes** of the June 27, 2024, regular meeting of the Texas Transportation Commission
4. **Contracts**
Consider the award or rejection of contracts for highway construction and maintenance, and construction and rehabilitation of buildings (Presentation)
These proposed minute orders contain information concerning the receipt of bids for highway improvement contracts. The Texas Department of Transportation may reschedule receipt of bids for those projects where the Texas Transportation Commission (commission) rejects all bids. Those bids accepted by the commission will result in conditional contract awards to the low bidders. Contract award conditions may involve securing funding from other sources, the contractor's ability to satisfy federal DBE subcontracting requirements, or other requirements as outlined in the project bid proposal.

Italicized text in document is provided for informational purposes only and is not part of the official posted agenda.

4. **Contracts (continued)**
 - a. **Highway Improvements and Other Transportation Facilities (MO)**
(see attached itemized list)
 - b. **Routine Maintenance (MO)**
(see attached itemized list)
 - c. **Construction and Rehabilitation of Buildings (MO)**
(see attached itemized list)

5. **Acknowledgement of Service**

Recognize by resolution Corpus Christi District Engineer Valente Olivarez, Jr., P.E. for more than 25 years of service to the department

6. **Discussion Items**
 - a. **Legislative Appropriations Request (Presentation)**
Discussion regarding the development of the Texas Department of Transportation's Fiscal Year 2026-2027 Legislative Appropriations Request (LAR). Staff will discuss the development of the LAR with the Texas Transportation Commission and seek direction on components of the LAR.
 - b. **Ship Channel Improvement Revolving Fund (Presentation)**
Discussion regarding the Ship Channel Improvement Revolving Fund (SCIRF). Staff will provide a general overview of the SCIRF and facilitate a discussion on the projected financing proposal.

7. **Connecting Texas 2050**

Consider the adoption of Connecting Texas 2050 (Presentation) (MO)
Federal and state law require the Texas Department of Transportation (department) to develop a performance-based, statewide, transportation plan for people and freight. This minute order adopts Connecting Texas 2050 as the department's updated statewide long-range transportation plan.

8. **Public Transportation**

Various Counties - Consider the award of federal funds to multiple entities for a variety of program-eligible purposes (MO)
The awards identified in this minute order reflect the allocation of federal Section 5304 funds to designated lead planning agencies; the allocation of federal Section 5310 second year awards to various entities for the biennial call for projects; and the allocation of federal Section 5304 and Section 5311 funds to various entities that responded to the biennial Coordinated Call for Projects.

9. **State Infrastructure Bank**
Various Counties - Consider approval of applications for State Infrastructure Bank loans from various applicants (Presentation) (MO)
This minute order will authorize the executive director or their designee to enter into a financial assistance agreement with each applicant pursuant to the terms of this minute order and 43 Texas Administrative Code Chapter 6.
10. **Transportation Corporation**
Harris County - Consider (a) authorizing the Texas Transportation Finance Corporation (corporation) to act on behalf of the Texas Transportation Commission (commission) and perform any function necessary to the exercise of powers delegated to the corporation in connection with the acquisition, development, financing, refinancing, design, construction, reconstruction, expansion, tolling, operation and maintenance of the State Highway 288 Toll Lanes in Harris County (project); (b) authorizing the Texas Department of Transportation (department) to enter into agreements with the corporation, including a project agreement to provide for the allocation of responsibilities relating to the project; (c) providing for the assignment of revenues of the project to the corporation; (d) authorizing the department to provide a loan to the corporation for the payment of project costs and related financing agreements, including a toll rate agreement between the commission and the corporation; and (e) delegating authority to commission representatives to adopt an official intent to reimburse costs of the project with bond proceeds (MO)
This minute order authorizes the Texas Transportation Finance Corporation (corporation) to act on behalf of the Texas Transportation Commission (commission) in connection with the State Highway 288 Toll Lanes in Harris County (project) and authorizes the Texas Department of Transportation to make a loan to the corporation for the purpose of paying the costs of terminating the project's comprehensive development agreement in order to acquire the rights to the project from the current developer. This minute order also delegates authority to commission representatives to adopt an official intent to reimburse costs paid for the project with bond proceeds.

11. **Promulgation of Administrative Rules** Under Title 43, Texas Administrative Code, and the Administrative Procedure Act, Government Code, Chapter 2001:
Rules Adoptions - Chapter 21 - Right of Way
The Texas Department of Transportation proposes the repeal of §§21.143-21.145, 21.150, 21.152-21.164, 21.166-21.193, 21.195, and 21.197-21.206, relating to regulation of signs along interstate and primary highways, and §§21.414, 21.420, 21.421, and 21.431, relating to the control of signs along rural roads; amendments to §21.142, Definitions, and §§21.409, 21.417, 21.423-21.426, 21.435, 21.448, 21.450, 21.452, 21.453 and 21.457, relating to the control of signs along rural roads; and new §§21.143- 21.200, relating to regulation of signs along interstate and primary highways (MO)
These changes amend the Texas Department of Transportation's Highway Beautification Program to implement amendments made to Transportation Code, Chapters 391 and 394, that relate to the Commercial Signs Regulatory Program. The changes streamline current rules and provide for a clearer understanding of the rules and provides a new organizational structure that reorganizes the new rules to logically follow the sign permitting process. This rulemaking repeals most of the rules in Chapter 21, Subchapter I, relating to the existing regulatory program and provides new rules that in large part do not change the substance of the existing rules. Changes to Subchapter K of Chapter 21 provide consistency between Subchapters I and K for Commercial Signs and Off Premise Outdoor Advertising.
12. **Eminent Domain Proceedings**
Various Counties - Consider the authorization of the filing of condemnation proceedings to acquire real property by eminent domain for non-controlled and controlled access highways (see attached itemized list) (MO)
Texas Transportation Commission findings, determinations, and authorizations for the state, by motion made in accordance with Senate Bill 18 (82nd Legislature), to acquire by eminent domain, upon the payment of adequate and just compensation, various ownership interests in specific parcels of real property that are needed to develop or improve both non-controlled and controlled access state highways, to include requesting the state attorney general to bring and pursue condemnation suits relating to those specific parcels of real property described in the attached itemized list.
13. **Routine Minute Orders and Reports**
a. **Donations to the Department**
Various Districts - Consider the acknowledgment of donations with a value of \$500 or more, including donations of money, materials, services, or real property, that are made to the Texas Department of Transportation (department) for the purpose of assisting the department in carrying out its functions and duties or for improving access to or from a highway on the state highway system (see attached itemized list) (MO)
State statutes require the Texas Transportation Commission (commission) to acknowledge the acceptance of a gift to the Texas Department of Transportation that is valued at \$500 or more. By the adoption of this minute order, the commission acknowledges the receipt and acceptance of the property specified in the minute order.

13. **Routine Minute Orders and Reports**

b. **Real Estate Dispositions**

The Texas Transportation Commission must approve the sales, transfers, and exchanges of state rights of way and other real properties that are no longer needed for a state highway purpose. It must also approve, accept, and acknowledge donations to the state of real property that is valued at \$500 or more.

- (1) **Bell County** - I-14 - Consider the sale of right of way to an abutting landowner (MO)

The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.

- (2) **Grimes County** - SL 429 - Consider the quitclaim of any interest that might have accrued to the state by use of property for which there is no record title to the county (MO)

The district has determined that the land is no longer needed for highway purposes.

- (3) **Henderson County** - SH 334 - Consider the sale of right of way to an abutting landowner (MO)

The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.

- (4) **Morris County** - US 259 - Consider the sale of right of way to an abutting landowner (MO)

The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.

- (5) **Potter County** - RM 2381 - Consider an easement release to the underlying fee owners (MO)

The district has determined that the easement is no longer needed for highway purposes. The easement may be released to the underlying fee owners.

- (6) **Travis County** - FM 973 - Consider the exchange of a channel easement as part of a transaction to acquire a drainage easement needed for a state highway purpose (MO)

The district has determined that the easement to be released by the state in the exchange is no longer needed for a state highway purpose.

c. **Reports**

- (1) **Compliance Division Report**

State law requires the commission to establish a compliance program, which must include a Compliance Division to oversee the program. The Compliance Division is responsible for acting to prevent and detect serious breaches of department policy, fraud, waste, and abuse of office, including any acts of criminal conduct within the Texas Department of Transportation. The Compliance Division is required to provide a monthly report to the Texas Transportation Commission regarding investigations and a summary of information relating to trends and recommendations.

13. **Routine Minute Orders and Reports**

c. **Reports (continued)**

(2) **Letting Allocation Report**

Quarterly report on the Fiscal Year 2024-25 letting allocation, the actual allocation utilized through the quarter, and proposed remaining highway maintenance and construction contract letting for the fiscal year (Report)
This report will provide the current overall allocation status, by district and metropolitan planning organization, of the Fiscal Year 2024-25 letting allocation and will also provide the anticipated effect on the letting allocation of remaining proposed highway maintenance and construction letting.

(3) **Quarterly Cash Report**

Quarterly report on Fiscal Year 2024 State Highway Fund 6 cash status (Report)
This report updates the Texas Transportation Commission on the year-to-date cash balance and activity of Fund 6. The report will include original projections and actual revenues/inflows and expenditures/outflows on a cash basis.

d. **Speed Zones**

Various Counties - Consider the establishment or alteration of regulatory and construction speed zones on various sections of highways in the state (MO)
This minute order establishes or alters regulatory and construction speed zones on various sections of highways in the state.

14. **Executive Session** Pursuant to Government Code, Chapter 551

Section 551.071 - Consultation with and advice from legal counsel regarding any item on this agenda, pending or contemplated litigation, or other legal matters.

OPEN COMMENT PERIOD - At the conclusion of all other agenda items, the Texas Transportation Commission will allow an open comment period, not to exceed one hour, to receive public comment on any other matter that is under the jurisdiction of the Texas Department of Transportation. No action will be taken. Each speaker will be allowed a maximum of three minutes. Speakers must be signed up prior to the beginning of the open comment period.
