Dear Mr. Moore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 24-005203 (Ref. No. J000174-011624).

The Texas A&M University System (the “system”) received a request for all system reviews during a stated period of time.¹ We understand the system has made some information available to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.101 of the Government Code excepts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, such as section 51.971 of the Education Code, which provides, in relevant part:

¹ You state, and provide documentation demonstrating, the system sought and received clarification of the information requested. *See* Gov’t Code § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used); *City of Dallas v. Abbott*, 304 S.W.3d 380 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

² We assume the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(a) In this section:

(1) “Compliance program” means a process to assess and ensure compliance by the officers, employees, agents, contractors, subcontractors, or other persons acting on behalf of an institution of higher education with applicable laws, rules, regulations, and policies, including matters of:

(A) ethics and standards of conduct;

(B) financial reporting;

(C) internal accounting controls; or

(D) auditing.

(2) “Institution of higher education” has the meaning assigned by Section 61.003.

...

(e) Information is excepted from disclosure under [the Act] if it is collected or produced:

...

(2) by a systemwide compliance office for the purpose of reviewing compliance processes at a component institution of higher education of a university system.

Educ. Code § 51.971(a), (e)(2). You state Texas A&M University (the “university”) is an institution of higher education for purposes of section 61.003 of the Education Code. *See id.* § 51.971(a)(2). You explain the submitted information pertains to reviews of the university’s compliance programs conducted by the system. Based upon your representations and our review, we conclude the submitted information is confidential under section 51.971(e)(2) of the Education Code. Accordingly, the system must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 51.971(e)(2) of the Education Code.
