

Texas House District 138 Harris County Precinct Chairmen

Resolution for Republican Texas House Majority Representation

Whereas, the Texas House Republican Caucus met on December 7, 2024, and nominated David Cook as Texas House Speaker;

Whereas, Governor Abbott has given his support to David Cook;

Whereas —

- Lacey Hull is violating Plank 213 of the 2024 Republican Party of Texas Platform by not supporting David Cook for House Speaker;
- Lacey Hull is the *only* Republican Texas House Representative in Harris County who is not supporting David Cook for House Speaker;
- Lacey Hull is siding with Democrats by supporting Dustin Burrows for House Speaker; and
- If Dustin Burrows is elected House Speaker with the votes of the House Democrats and a minority of House Republicans, which presently includes Lacey Hull, the 89th Texas Legislature would be reminiscent of the 88th Texas Legislature and Dade Phelan's speakership, which resulted in the legislative priorities of the Republican Party of Texas being blocked by Democrat Committee Chairs appointed by former Speaker Phelan;

THEREFORE, BE IT RESOLVED that Texas House District 138 Harris County Precinct Chairmen signing below condemn this violation by Lacey Hull of Plank 213 of the 2024 Republican Party of Texas Platform and demand that Lacey Hull comply with Plank 213 of the 2024 Republican Party of Texas Platform and support David Cook for Texas House Speaker.

BE IT FURTHER RESOLVED that House District 138 Harris County Precinct Chairmen shall share this resolution with every Republican Texas House Representative and Representative-Elect as well as news and social media outlets.
