RE: Rule 12 Records Request

This acknowledges receipt of your request dated August 7 2025 seeking judicial records under Rule 12. After careful review, I must deny your request in full. This response is issued in my capacity as the designated records custodian under Rule 12.2(e).

Requested records are exempt from disclosure under:

You may appeal by filing a petition for review under Rule 12.9 with the Administrative Director, Office of Court Administration, Megan LaVoie, P.O. Box 12066, Austin, Texas 78711, provided it is received within 30 days of your receipt of this letter. Your petition should include:

- Your original request and this response
- Any supporting arguments or references
- A request for expedited review, if applicable.

Respectfully,

A handwritten signature in blue ink, appearing to read "Roland Andrade".
