

Subject: Arrest of Austin ISD Regional Custodial Specialist (former custodian at Anderson & Akins HS and Casey Elementary)

Thursday, Sept. 25, 2025

Dear Austin ISD Families,

On Wednesday, Sept. 24, the U.S. Marshals officers arrested Austin ISD Regional Custodial Specialist, Agustin Ibarra Lopez, on a charge of indecency with a child, a first degree felony. Lopez previously served as a custodian at the following schools:

- Bowie High School during the 2016–17 and 2017–18 school years,
- Akins High School from 2018–2021,
- Mendez Middle School in 2022,
- Casey Elementary School in May 2022 and
- Anderson High School during the 2023-24 school year

In his current role, he oversaw teams of campus head custodians in the northwest quadrant of the district, which includes the schools below. As part of this role, he would visit the campus once monthly.

At this time, we have no reason to believe that any Austin ISD students are involved in these charges. Our Austin ISD Police are working with the U.S. Marshals to determine if any misconduct occurred in relation to our schools. We will be sure to follow up if we learn of any new information that leads us to believe otherwise.

If you believe you have information related to this investigation, please contact Austin ISD Police at 512-414-1703.

We know this is a troubling situation and want you to know we are here to support.

Please understand that this is an active investigation and we will not have additional details regarding the case to share. We understand that this can feel frustrating as we all have so many unanswered questions.

Thank you for your continued support of Austin ISD.

Sincerely,

Brandi Hosack
