MEDIA RELEASE

December 16, 2025

3:00PM

On behalf of Clyde CISD, I would like to provide a brief update regarding an incident that occurred over the weekend.

On Saturday, local law enforcement contacted District officials regarding an active investigation involving allegations against a district employee. The allegations included inappropriate communications (texting) between a Clyde Junior High School educator and a student and failure to maintain appropriate boundaries with a student.

Following a preliminary review, the District determined that it was necessary and appropriate to place Clyde CISD Teacher/Coach Jason McAden on administrative leave, effective at 8:00AM on Monday morning (Dec 15, 2025), pending the outcome of a full investigation by Clyde CISD and the Clyde Police Department.

This employee remains under investigation and on administrative leave. During the investigation and administrative leave, the suspended employee is not allowed on district property and is not allowed to attend any district functions or events.

The District is cooperating fully with the Clyde Police Department. Once again, this is an active investigation. To ensure the fidelity of the investigation, the District will not offer any additional details or comments at this time.

If you become aware of or suspect a violation of this or any other policy or law, please report it to the campus/district officials immediately.

Thank you.
