DPS Computerized Criminal History Verification

I, Dakota KMatthews, acknowledge that a Computerized Criminal History (CCH) check may be performed by accessing the Texas Department of Public Safety Secure Website and may be based on name and DOB identifiers. (This is not a consent form but serves as information for the applicant.) Authority for this agency to access an individual's criminal history data may be found in Texas Government Code 411, Subchapter F.

Name-based information is not an exact search and only fingerprint record searches represent true identification to criminal history record information (CHRI), therefore the organization conducting the criminal history check is not allowed to discuss with me any CHRI obtained using the name and DOB method. The agency may request that I also have a fingerprint search performed to clear any misidentification based on the result of the name and DOB search.

In order to complete the fingerprint process I must make an appointment with the Fingerprint Applicant Services of Texas (FAST) as instructed online at <https://www.dps.texas.gov/section/crime-records/crime-records-general-information> /Review of Personal Criminal History or by calling the DPS Program Vendor at 1-888-467-2080, submit a full and complete set of fingerprints, request a copy be sent to the agency listed below, and pay a fee of \$25.00 to the fingerprinting services company.

Once this process is completed the information on my fingerprint criminal history record may be discussed with me.

(This copy must remain on file by your agency. Required for future DPS Audits)

DPS Computerized Criminal History Verification

I, Dakota K Matthews, have been notified that a Computerized Criminal History (CCH) verification check will be performed by accessing the Texas Department of Public Safety Secure Website and will be based on name and DOB identifiers I supply.

Because the name-based information is not an exact search and only fingerprint record searches represent true identification to criminal history, the organization conducting the criminal history check for background screening is not allowed to discuss any criminal history record information obtained using the name and DOB method. Therefore, the agency may request that I have a fingerprint search performed to clear any misidentification based on the result of the name and DOB search.

For the fingerprinting process I will be required to submit a full and complete set of my fingerprints for analysis through the Texas Department of Public Safety AFIS (Automated Fingerprint Identification System). I have been made aware that in order to complete this process I must make an appointment with L1 Enrollment Services, submit a full and complete set of my fingerprints, request a copy be sent to the agency listed below, and pay a fee of \$24.95 to the fingerprinting services company, L1 Enrollment Services. If fingerprinting is required, you will be contacted by the district. No action is required at the present time regarding fingerprinting. _

Once this process is completed and the agency receives the data from DPS, the information on my fingerprint criminal history record may be discussed with me.
