Re: Request for Open Records Ruling
UNT Public Information Request No. 1552

Dear General Paxton:

On July 13, 2026, the University of North Texas System Public Information Program ("System") received a request for communications in the possession of a member of the UNT System Board of Regents related to the UNT interim Vice President and Provost of Academic Affairs over a specified period. *See* Enclosure 1. The System requests an open records letter ruling concerning whether certain information responsive to the request is subject to public disclosure under the Texas Public Information Act.

The System submits that certain information responsive to this request is excepted from public disclosure under Texas Government Code (the "Code") sections 552.107 (attorney-client privilege) and 552.111. A complete brief explaining why these exceptions apply and representative samples of information the System believes are excepted from disclosure will be provided in accordance with section 552.301 of the Code.

Please contact me at (940) 565-4118 or renaldo.stowers@untsystem.edu if you have any questions regarding this correspondence.

Respectfully,

Renaldo Stowers
Deputy General Counsel
