Date: 04/16/06
Case# 06-04-173-R
Defendant: Brittany N. Black

On 04/16/06 at 6:17 PM R/O was sitting on the side of I57 just past mile post 41 N/B running radar. R/O clocked a N/B Black colored car at 86 MPH. R/O turned on red lights and went after the car. R/O was driving 110 MPH to catch the car as the car approached I24 and then the vehicle slowed and started up the E/B ramp on I24. After getting on I24 R/O kept the red lights going and R/O saw the driver passing other vehicles in both lanes. After passing mile post 2 the traffic cleared and R/O was following the black car at 120 MPH as we went by mile post 4 E/B. The unit slowed as it got to the mile post 5 crossover but then sped up and took off again. R/O followed the unit at approximately 110 MPH until the car left I24 and went W/B Tunnel Hill Rd. DNR Officer Scott Wright was set up at Tunnel Hill Rd and Rt. 37. R/O knew that if R/O followed the unit until Rt. 37 and Tunnel Hill Rd there would most likely be an accident. R/O told 5F25 that he was slowing up. R/O thought the driver might slow up too and not hurt themselves or someone else. R/O approached the Rail Road Bydock and R/O saw Officer Wright running towards the wrecked car in the ditch. R/O got out to help Officer Wright put handcuffs on the lady and Deputy Jordan processed the car for Tow-in.

R/O and Vienna City Officer Bullock transported Ms. Black to the Massac Co. Jail. R/O wrote Ms. Black citations for Agg. Fleeing and Attempting to Elude a Police Officer, driving while license suspended and speeding 120 MPH in a 65 MPH zone. Deputy Jordan found a white plastic tube in Ms. Black's purse. R/O will send the tube to the lab for processing and if it comes back positive for a controlled substance R/O will request a warrant for that at a later time.

Supplement to Robert Harner's report

On the above date at approximately 6:15 PM, I, Deputy Jeff Jordan #917, heard radio traffic that Chief Deputy Robert Harner had with Johnson Co. Dispatch. He'd just clocked a small black car on I-57 in Johnson County and the unit had got on I-24 EB and was at speeds of over 100 MPH and he was in pursuit.

R/O started toward R/O Harner's location from I-24 WB MP 18. R/O heard R/O Harner state that the unit had taken exit 7 EB and was now WB on Tunnel Hill Rd. D.N.R. Officer Scott Wright advised that he was on Rte 37 and that he would station himself at the intersection. R/O was advised that the unit had run off the road at Rte 37 and Tunnel Hill Rd. intersection.

R/O arrived and asked R/O Harner who the driver was and he stated he hadn't got the driver's DL. I went to R/O Harner's car and asked the W/F, in custody, her name. She stated, "Brittany Black." I asked why she had not just stopped. She stated that she had no license, that she was suspended. I asked the defendant if she had any ID and she stated that it was in her car. R/O went down the ditch to the car, a black Chrysler Sebring, and I observed a green wallet in the passenger side floor. I got the wallet and I noticed, in a pocket of the wallet, behind the change compartment, there was a small straw with white residue on it. R/O asked the defendant if she had been consuming any alcohol or any illegal drugs. The defendant stated, "You mean the straw in the billfold?" I stated, "Yes," and the defendant stated, "I'm proud to say I haven't used coke for nine months (meaning cocaine)."

R/O showed the straw and its location R/O Harner and R/O Bullock. The defendant then told me her ID was on her key chain. R/O also noticed a Cobra radar detector on the dash of the defendant's car. It was plugged in and it was making a loud beeping sound. As R/O's waited for a tow, R/O took possession of two black cell phones and one black I-pod and put them in the defendant's white purse and will give them to her when she comes to court. R/O also took possession of the radar detector and a green wallet for safe keeping only.

When R/O spoke with Brittany about the straw, she was the one who stated to R/O that it was cocaine. Brittany told R/O that she would agree to any test to show that she hasn't been using. R/O told R/O Harner and Bullock that Brittany wanted to be tested. As R/O was doing an inventory on the car prior to towing, R/O found, in the trunk, papers from the Macon Co. Court that on 06-01-05, Brittany was placed on Conditional Discharge for Driving While Driver's License Suspended (See attached). R/O is asking S/A to charge Brittany with Possession of Controlled Substance, being that of Cocaine.

Deputy Jeff Jordan
