CHARGE SEQ NUM: 1

IN THE NAME AND BY AUTHORITY OF THE STATE OF TEXAS:

Before me, the undersigned Assistant District Attorney of Harris County, Texas, this day appeared the undersigned affiant, who under oath says that he has good reason to believe and does believe that in Harris County, Texas, **LEWIS CONNOR STOTT**, hereafter styled the Defendant, heretofore on or about **December 1, 2021**, did then and there unlawfully, intentionally, with the specific intent to commit the offense of Indecency with a Child of E.F., hereafter styled the Complainant, do an act, to-wit: by placing his hand under her clothes and touching her buttocks, which amounted to more than mere preparation that tended to but failed to effect the commission of the offense intended.

Probable Cause

I, Officer Savannah Kloewer, am a certified peace officer for the Friendswood Police Department. I have been a sworn peace officer with the Friendswood Police Department for approximately five years. I am assigned to the Criminal Investigations Unit as a sexual assault investigator and tasked with investigating sexual assaults.

Your Affiant, Officer Savannah Kloewer, has reason to believe and does believe that Lewis Connor Stott (w/m, dob: 05/17/1994, Texas DL: 46992629) committed the offense of Attempted Indecency with a Child against E.F., at 3200 West Bay Area Blvd, Friendswood, Harris County, Texas, beginning on or about December 1, 2021 and continuing to May 2022.

Your Affiant's belief is based on the following facts:

On July 24, 2026, Affiant was assigned Friendswood Police Report 26024743 for follow-up investigation of an Indecency with a Child. Affiant began her investigation by reviewing Friendswood Police Report 26024743, which was authored by Officer Mixon, who is employed with the Friendswood Police Department as a licensed peace officer working patrol. Affiant learned from reading Officer Mixon's report that on July 23, 2026, E.M. reported that her daughter, E.F., disclosed her former teacher touched her buttocks under her clothing.

On July 25, 2026, Affiant spoke with E.M., a person who Affiant finds to be credible and reliable. E.M. stated to Affiant that E.F. is now her 12-year-old daughter and previously attended Galloway School for second grade in Friendswood, Texas. E.M. told Affiant that E.F. told her that her teacher would have E.F. stand by his desk and grab her buttocks underneath her skirt.

Affiant observed a forensic interview of E.F. conducted by Valerie Serna, who is a forensic interviewer with the Children's Assessment Center, on August 7, 2026. Affiant observed in the interview that E.F. was able to distinguish between a truth and a lie and promised to tell the truth. Further, Affiant found E.F. to be a credible and reliable 12-year-old child, who was able to articulate events that happened to her while in the 2nd grade. E.F. stated she is here because of what happened a long time ago. She was in second or third grade and had a teacher named Mr. Stott. One day, she went up to his desk and Stott tried to touch both her friend and her inappropriately. They wore skirts with built-in shorts and Stott's hand went under her shorts. She was standing up. Stott was at his chair and she needed help with her math. Stott put his hand up her skirt on her butt. Stott's hand was staying there. She could feel Stott's hand behind her butt under her shorts. She was wearing her underwear under her shorts. Stott's hand was either on top or under her underwear. Stott didn't say anything. After she realized what would happen at his desk, E.F. made sure to not go to the side of Stott's desk, but instead she went in front of it. This happened more than one time. Stott would be sitting, and she would be standing up. Stott was touching her with his hand, on her butt under her clothes.

Affiant reviewed medical records for E.F. On August 7, 2026, E.F. had a medical exam performed at the Children's Assessment Center by Texas Children's Hospital Nurse Practitioner Sharon Record. During her exam, E.F. made a consistent disclosure to Nurse Practitioner Records that her second grade teacher, Mr. Stott, touched her on her butt, under her clothing, like two or three times.

Affiant obtained records from Galloway School and confirmed Lewis Connor Stott, who is a white male with a date of birth of 5/17/1994, current age of 32 years old, and Texas Driver's License number 46992629 was formerly a 2nd grade teacher at the Galloway School. Affiant also confirmed E.F. was a student in Lewis Connor Stott's class during the school year of 2021 and 2022 and based on her date of birth was under the age of 10. Affiant confirmed the school year starts in August and ends in May. Additionally, Affiant confirmed another parent of the 2023-2024 initiated conversations with Galloway School about the concerning behaviors of Defendant Stott inappropriately touching girls in his class.

Affiant used a law enforcement database to confirm the same person with the Texas Driver's License 46992629, date of birth 5/17/1994, and name Lewis Connor Stott is the same person who was the 2nd grade teacher at Galloway School located at 3200 West Bay Area Blvd, Friendswood, Texas, Harris County, Texas.
