Statement from Henderson ISD concerning recent arrest

Henderson ISD is aware of the arrest of a former employee on allegations involving conduct that reportedly occurred 12 years ago, before the individual worked at Henderson ISD. According to the information provided to the district by law enforcement, the allegations did not involve Henderson ISD or any Henderson ISD student.

Earlier this year, Henderson ISD was informed by law enforcement of the allegations and cooperated fully with the investigation. Upon receiving that information, the district immediately placed the employee on administrative leave pending the investigation and made the required report to the Texas Education Agency in accordance with state law. The employee subsequently resigned and is no longer employed by Henderson ISD.

Because this is an active criminal matter, the district cannot comment on matters that could interfere with the ongoing legal process. Henderson ISD remains committed to providing a safe learning environment for all students and will continue to fully cooperate with law enforcement.
