Research notes

This list is designed for SGA candidate outreach tied to the UH/Harris County area. The November 3, 2026 Texas general-elect verified against the Texas Secretary of State certification. County/HCAD entries were cross-checked against Harris County part and HCAD's official election notice.

Important: 'Not publicly listed' means I did not find a public campaign email/phone in the sources checked; it does not mean no contact method. For those candidates, use the campaign website/contact form or official party contact route.

The master Harris County ballot contains many additional judicial/local races that are not specific to the UH area. This workbo statewide offices plus the federal, state, countywide, Precinct 1, and HCAD races most directly relevant to UH outreach.

Key verification sources:

Texas Secretary of State — 2026 November General Election Ballot Certification

Harris County Democratic Party — 2026 candidates

Harris County GOP — 2026 candidates

Harris Central Appraisal District — 2026 Board Election Information

Candidate campaign/official websites as listed in the contact-list rows
